

Biofuelwatch research on German climate finance for bioenergy

Projects - Serbia

Date: 05.11.2018

Project name	Development of a Sustainable Biomass Market in Serbia (DKTI	Stimulating Renewable Energy – the Development of the Biomass Market in Serbia (DKTI	Biomass power plant
Country/Region	Serbia	Serbia	Serbia
Sector	Mitigation	Mitigation	Mitigation
Bioenergy element	Fuel switch programme, mainly of district heating networks to woodchips; So far 15 communities have developed plans for biomass heat plants, but not yet got investment. 6 are planning biomass CHP plants. A self-financed community heat plant burning pellets has opened in Priboj and a 3 MW heat plant is being built in Pirot.	same as above	BiomassCHP plant - no description
Recipient	GIZ GmbH, Eschborn	KfW	KfW
Partners	Ministry of Agriculture and Environmental Protection		
Years	2013-17	n.k., approved 2011	approved2010
Amount (€)	8.000.000	22.000.000	2.500.000
